VENDITORE INTERNATIONAL

A division of Prodigio Holdings Inc

Distributor-backed IT procurement for agencies, schools, healthcare, and business.

CORE COMPETENCIES

- Government RFQ response — compliant quotes against solicitations and contract vehicles
- Education & healthcare device sourcing — laptops, desktops, monitors, peripherals to spec and volume
- Business technology refresh — fleet planning with consistent configurations and predictable delivery
- Bulk hardware procurement across major distributor catalogs
- Multi-distributor availability and pricing checks before delivery commitments
- Quote-to-fulfillment coordination and order tracking
